Cheryl,

Can you please make that change regarding the cc : to this later version instead? Also, I tried to start a third heading, but I am not sure to get bullets under that. Can you please change the bullets to hyphens. I am more familiar with hyphens. Also, can you please number the topics 1, 2, 3. And label the memo DRAFT.

Can you please give me two copies before 2:10. Thanks.

Thanks.

Dianne
