

Table 1. Projects supported by Export Development Canada (EDC)

Legend:

∅ *Symbol indicates information EDC was asked to provide, but refused.*

A Blue font highlights projects which pose considerable environmental, economic or social risks.

Year	Country	Principal Counterparty (Borrower/ Investor/ Financier)	EDC Product	Project Description	Principal Exporter/ Investor	Amount Corporate Account	Amount Canada Account	Points of interest and known environmental problems	Sources Cited
1990	Algeria	Algerian Ministry of Post and Telecommunications	Financing	Purchase of 40 thermoelectric generators and spare parts	Global Thermoelectric Power Systems Ltd.	Cdn\$1,076,000		Global Thermoelectric manufactures and distributes thermoelectric generators, solar power cells and equipment shelters.	EDC, "EDC supports sale of 40 generators to Algeria by Alberta enterprise", (News Release), February 14, 1990.
1990	Algeria	Banque Algerienne de Developpement	Financing	Telephone equipment	Northern Telecom International	Cdn\$528,000			EDC, "EDC lends Algeria \$528,000 for the purchase of telecommunications equipment", (News Release), November 8, 1990.
1990	Algeria	Enterprise Nationale des Granulats	Financing	Purchase of 12 dump trucks and 3 loaders	VME Equipment of Canada Ltd.	Cdn\$5,440,000		The money is an allocation under an existing EDC line of credit with the Banque Algerienne de Developpement.	EDC, "EDC lends \$5.44 million to support the sale of vehicles to Algeria", (News Release), August 10, 1990.
1990	Algeria	Enterprise Nationale du Fer et du Phosphate	Financing	Purchase of 13 rear dump trucks	VME Equipment of Canada Ltd.	Cdn\$4,910,000		This loan is the second allocation used under an EDC line of credit with the Banque Algerienne de Developpement to finance the purchase of equipment from VME.	EDC, "Guelph manufacturer repeats sale in Algeria while EDC lends up to \$4.91 million to the buyer", (News Release), April 24, 1990.
1990	Algeria	Societe nationale de l'electricite et du gaz	Financing	Purchase of treated wood electricity poles	Domtar Inc.	Cdn\$3,356,000		Societe will use the electricity poles to improve power distribution in various cities.	EDC, "Domtar sale to Algeria supported with EDC loan of \$3.3 million", (News Release), December 19, 1990.
1990	Angola		Financing	Purchase of goods and services in support of the oil companies developing Takula offshore oil field	Natco Canada, GACO Systems Ltd., L'Eau Claire Systems Inc.	Cdn\$2,400,000		Transaction 1 with Natco Canada: for the sale of desalter preheater, a corrugated plate interceptor and a treater preheater. Transaction 2 with GACO Systems: for the sale of four skid mounted chemical mixing and injection units. Transaction 3 with L'Eau Claire Systems: for the sale of a deaerator skid, a chemical injection skid and a deep bed filter. The Takula oil field is the largest oil project in Angola and investments are	EDC, "EDC supports sales for the development of oil field project of Angola", (News Release), February 1, 1990.

Year	Country	Principal Counterparty (Borrower/ Investor/ Financier)	EDC Product	Project Description	Principal Exporter/ Investor	Amount Corporate Account	Amount Canada Account	Points of interest and known environmental problems	Sources Cited
								now underway to add three production platforms. EDC established a US\$11.76 million multiple disbursement agreement with Cabinda Gulf Oil Co., a US\$15.3 million agreement with Sociedade Nacionale de Combustiveis de Angola and a US\$2.94 million agreement with Agip Angola Ltd. to finance the oil field development.	
1990	Angola	Cabinda Gulf Oil Co. Ltd.	Financing	Purchase of equipment for the construction of three platforms in the Takula oil field in the Cabinda enclave	L'Eau Claire Systems, Barber Industries Ltd., GACO Systems	US\$2,800,000		<p>Transaction 1 with L'Eau Claire Systems: for the sale of a deaerator skid, a chemical injection skid and a deep bed filter (US\$2.2 million).</p> <p>Transaction 2 with Barber Industries: for the sale of a fuel gas skid, a diesel transfer and jockey pump skid and fuel gas treating system consisting of 2 skids (US\$585,91).</p> <p>Transaction 3 with GACO Systems: for the sale of four skid mounted chemical mixing and injection units (US\$44,745).</p>	EDC, "EDC will finance equipment for Angola oil sector", (News Release), October 2, 1990.
1990	Angola	Sociedade Nacionale de Combustiveis de Angola (SONANGOL)	Financing	Purchase of goods and services for developing Takula offshore oil field	Thermo Design Engineering Ltd., Sulzer Bingham Pumps Inc.	US\$2,000,000		<p>Thermo Design Engineering will supply a liquefied petroleum gas onshore processing plant –EDC will provide US\$1.4 million to SONANGOL.</p> <p>Sulzer Bingham Pumps Inc. will sell process pumps and crude shipping</p>	EDC, "Sales to oil sector in Angola supported by EDC", (News Release), March 7, 1990.

				Copiapo Province					June 6, 1990.
1990	China	Bank of China	Financing	Expansion of carbon disulfide plant in Liaoning Province – design and equipment	Klockner Stadler Hurter Ltd.	Cdn\$11,500,000 ⊘			

Year	Country	Principal Counterparty (Borrower/ Investor/ Financier)	EDC Product	Project Description	Principal Exporter/ Investor	Amount Corporate Account	Amount Canada Account	Points of interest and known environmental problems	Sources Cited
1990	China	China Machine Building International Corporation	Financing	Aluminum oxide furnace system	Whiting	Cdn\$3,500,000			Minister of International Trade, "Sale of heavy machinery to China supported by EDC", (News Release), August 21, 1990.
1990	China	China National Chemical Construction Corporation	Financing	Chemical plant	Klockner Stadler Hurter Ltd.	US\$9,800,000		The plant will have an annual production capacity of 26,000 metric tonnes of carbon disulfide, which is used as a solvent for oils, tars, rubbers and paint removers.	Minister of International Trade, " EDC financing helps China build chemical plant", (News Release), May 11, 1990.
1990	China	China National Technical Import and Export Corporation	Financing	Paper and pulp mill	Canadian Industrial Consortium	Cdn\$37,500,000			Minister of International Trade, " EDC supports sale of mill by Canadian Consortium to China", (News Release), June 29, 1990.
1990	China	China National Technical Import and Export Corporation	Financing	Cement plant	Fuller- F.L. Schmidt Canada Ltd.	Up to Cdn\$37,900,000		Cement plant to be built in Shanxi Province, China.	Minister of International Trade, " EDC lends up to \$37.9 million to China to build a cement plant", (News Release), August 31, 1990.
1990	China	First Automotive Works Corporation; China National Machinery Import and Export Corp.	Financing	Automotive stamping dies	Fujima International Inc.	US\$5,300,000			Minister of International Trade, "EDC supports sale to China with loan of US\$5.3 million", (News Release), October 1, 1990.
1990	China	Hebei Provincial Post and Telecommunications Administration	Financing	Telecommunications systems	Northern Telecom Canada	US\$21,500,000			Minister of International Trade, " EDC supports Northern Telecom sales to China with loans worth US \$21.5 million", (News Release), August 24, 1990.
1990	China	Liaoning Provincial Posts and Telecommunications Administration	Financing	Telecommunications systems	Northern Telecom Canada	US\$9,400,000			Minister of International Trade, "EDC supports Northern Telecom sales to China with loans worth US \$9.4 million", (News Release), August 17, 1990.
1990	China	Posts and Telecommunications Administration	Financing	Telecommunications systems	Harris Farinon Canada	US\$6,100,000			Minister of International Trade, " China borrows up to US\$6.1 million from EDC to acquire radio systems from Harris

Year	Country	Principal Counterparty (Borrower/ Investor/ Financier)	EDC Product	Project Description	Principal Exporter/ Investor	Amount Corporate Account	Amount Canada Account	Points of interest and known environmental problems	Sources Cited
		of Xinjiang Uygur Autonomous Region							Farinon”, (News Release), September 21, 1990.
1990	China		Financing	Domestic satellite earth station	Spar Aerospace Ltd.	Cdn\$1,900,000			<i>The Ottawa Quarterly</i> , First Quarter 1990, p.8.
1990	Colombia	Carbones de Colombia S.A. (CARBOCOL)	Financing	Purchase of spare parts for coal handling system	Boliden Allis	US\$61,699		CARBOCOL will use the spare parts for a coal handling system. It works two open pit coal mines at the El Cerrejon Norte site in northeast Colombia.	EDC, “EDC supports sales by Boliden Allis to Colombia”, (News Release), July 13, 1990.
1990	Colombia	Compania Colombiana de Clinker S.A.	Financing	Purchase of six Haulpack trucks	Komdresco Canada Inc.	US\$1,210,000		Compania Colombiana is a producer and distributor of cement, clinker and its derivatives.	EDC, “EDC backs Colombian enterprise purchase of trucks with \$1.21 million (U.S.) loan”, (News Release), February 14, 1990.
1990	Colombia	Instituto de Fomento Industrial of Bogota	Line of Credit	Allows Colombian buyers of Canadian goods and services to borrow funds at fixed rates and variety of repayment terms	Various exporters	US\$10,000,000		Facility is open for transactions in all industrial sectors with the most likely prospects for Canadian exporters being in the fields of telecommunications, petrochemicals, automotive, pulp and paper, electronics and agriculture. Agreement is effective for two years. EDC also has a project loan agreement in the coal mining sector with Carbones de Colombia S.A.	EDC, “ EDC establishes new \$10 million (US) line of credit in Colombia”, (News Release), January 5, 1990.

Year	Country	Principal Counterparty (Borrower/ Investor/ Financier)	EDC Product	Project Description	Principal Exporter/ Investor	Amount Corporate Account	Amount Canada Account	Points of interest and known environmental problems	Sources Cited
1990	Egypt	Egyptian Electricity Authority	Financing	Underground cables	Canada Wire & Cable Ltd.	Cdn\$22,400,000			<i>The Ottawa Quarterly</i> , First Quarter 1990, p.8.
1990	India	Oil and Natural Gas Commission (ONGC)	Financing	Purchase of computer control systems (SCADA)	Willowglen Systems Ltd.	US\$2,032,000		Joint financing from EDC and CIDA (US\$1,357,235). Equipment used to control and monitor offshore drilling installations and process information at the ONGC operations base.	EDC, "Joint financing from EDC, CIDA will support an Alberta company's expert to India", (News Release), December 20, 1990.
1990	India	Oil and Natural Gas Commission (ONGC)	Financing	Purchase of Canadian helicopters for use in oil industry	Canadian Helicopters Ltd.	US\$1,116,000		The helicopters will be used to transport ONGC personnel and equipment to and from offshore oil rigs. CIDA will contribute up to US\$684,000 to the transaction (covering 38% of the purchase price) under the terms of a joint EDC/CIDA line of credit for India.	EDC, "Canadian helicopters at work in India, EDC and CIDA support sale of services", (News Release), December 14, 1990.
1990	Indonesia	Department of Communications	Financing	Purchase of steel rail for coal transport project	Sydney Steel Corp.	Cdn\$4,500,000		Sydney Steel will supply 8,645 metric tonnes of steel rail for the Department of Communication's Bukit Asam Coal Rail Transportation Project (to transport coal from Sumatra to West Java). CIDA will also provide \$1,500,000.	EDC, "Indonesia's steel purchase in Nova Scotia supported with EDC loan", (News Release), April 23, 1990.
199_ ⊘	Indonesia		Financing	Nuclear Research Facility	⊘	⊘		Incentive for future CANDU reactor sales.	<i>Financing Disaster: How the G8 fund the Global Proliferation of Nuclear Technology</i> , June 2001, by David H. Martin, Sierra Club of Canada Nuclear Campaign. [Online]. Available: http://www.sierraclub.ca/national/nuclear/reactors/financing-disaster-g8.pdf .

Year	Country	Principal Counterparty (Borrower/ Investor/ Financier)	EDC Product	Project Description	Principal Exporter/ Investor	Amount Corporate Account	Amount Canada Account	Points of interest and known environmental problems	Sources Cited
1990	Jamaica	National Export-Import Bank of Jamaica; CIBC and Bank of Nova Scotia	Line of credit	Goods and services	Various exporters	Cdn\$10,000,000		Two \$5 million lines of credit guaranteed by CIBC and Bank of Nova Scotia.	EDC, "EDC will guarantee credit facilities worth \$10 million in Jamaica", (News Release), August 9, 1990.
1990	Jordan	Hashemite Kingdom of Jordan	Financing	Purchase of CTM series conventional consoles (radios)	General Electric Canada	Cdn\$844,847			EDC, "G.E. sells radio consoles to Jordan, EDC supports buyer", (News Release), January 5, 1990.
1990	Kenya	The Kenya Pipeline Co., Ltd.	Financing	Pipeline to transport petroleum/ oil products	Lavalin International Inc.	Cdn\$49,000,000		The construction of the 443 km pipeline from Nairobi to Eldoret and Kisumu will replace truck and rail transportation of petroleum products. Partec, Lavalin in Calgary, the petroleum Division of Lavalin will design, supply and commission four pump stations and two terminals along the pipeline route.	EDC, "EDC will finance pipeline construction in Kenya by Lavalin", (News Release), July 26, 1990.
1990	Kenya	Kenya Posts and Telecommunication Corporation	Financing	Microwave telephone systems	SR Telecom Inc.	US\$23,500,000			Minister of International Trade, "Sale of telephone systems to Kenya supported by EDC", (News Release), September 10, 1990.
1990	Mexico	Comision Federal de Electricidad Mexico, D.F. (CFE)	Financing	Purchase of wathour and varhour meters	Sangamo Electricity Division -- Schlumberger Canada Ltd.	US\$660,358		It is the fifth allocation received this year by CFE under the US\$15 million line of credit it established last year with EDC.	EDC, "EDC repeats support for Sangamo in Mexico", (News Release), August 30, 1990.
1990	Mexico	Comision Federal de Electricidad Mexico, D.F. (CFE)	Financing	Purchase 25 network protectors	Westinghouse Canada Inc.	US\$500,000		CFE will use the devices to protect network equipment from high voltage.	EDC, "EDC lends US \$500,000 to Mexico's CFE", (News Release), September 13, 1990.
1990	Mexico	Comision Federal de Electricidad Mexico, D.F. (CFE)	Financing	Purchase of structural steel	Grinnel Corporation of Canada	US\$1,200,000		The loan takes the form of an allocation under the US\$15 million line of credit established between EDC and CFE.	EDC, "Steel sale to Mexico supported by EDC", (News Release), August 30, 1990.

Year	Country	Principal Counterparty (Borrower/ Investor/ Financier)	EDC Product	Project Description	Principal Exporter/ Investor	Amount Corporate Account	Amount Canada Account	Points of interest and known environmental problems	Sources Cited
1990	Mexico	Compania de Luz y Fuerza del Centro S.A.	Financing	Purchase of polyphase meters	Sangamo Electricity Division – Schlumberger Canada Ltd.	US\$427,180		Compania de Luz y Fuerza del Centro is a division CFE. CFE is responsible for electrical power generation, distribution and transmission.	EDC, “EDC loan to Mexican power agency will support third sale by Sangamo”, (News Release), November 13, 1990.
1990	Mexico	Condutrade International S.A.	Financing	Purchase of cable manufacturing equipment	Ceeco Machinery Manufacturing Ltd.	US\$1,400,000		Ceeco will supply telephone twinning lines.	EDC, “Sale of cable manufacturing equipment to Mexico supported by EDC”, (News Release), August 31, 1990.
1990	Mexico	Deacero, S.A. de C.V.	Financing	Purchase of furnace supplies	Industrial Combustion and Equipment Ltd. (ICE)	US\$707,300		Deacero is a steel manufacturing company and will use ICE supplies, gas furnace and galvanized line to annual metal during steel production.	EDC, “EDC supports sale of furnace supplies to Mexican steel manufacturer”, (News Release), September 11, 1990.
1990	Mexico	Envases de Plastics S.A. de C.V.	Financing	Purchase of injection mold machine	Top Grade Machining Ltd.	US\$99,000		Top Grade Machining manufactures injection molds for use in the plastics business. The loan will be to Banco Nacional de Comercio Exterior, S.N.C., who will issue loan to Envases on behalf of EDC and it represents the first allocation under a US\$15 million line of credit recently signed between EDC and the Banco.	EDC, “EDC lends \$99,000 (U.S.) to Mexican company to support purchase of Canadian manufacturing equipment”, (News Release), March 9, 1990. EDC, “EDC supports sale of injection mold to Mexico”, (News Release), April 25, 1990.
1990	Mexico	Envases de Plastics S.A. de C.V.	Financing	Purchase of injection mold machine	Top Grade Machining Ltd.	US\$188,000		Top Grade will supply three molds for the fabrication of plastic pails. This loan represents an allocation under a US\$15 million line of credit recently signed between EDC and the Banco.	EDC, “Sale of molds to Mexico supported by EDC”, (News Release), July 18, 1990.
1990	Mexico	Fabrica de Jabon La Corona, S.A. de C.V.	Financing	Purchase of injection molding system	Husky Injection Molding Systems Ltd.	US\$900,000		Fabrica de Jabon is a manufacturer of soaps and edible oil products. This loan comes from a US\$5 million	EDC, “EDC loan to Mexico will support sale of molding machine”, (News Release), September 4, 1990.

		Financiera S.N.C.		system	Integrators Inc.				with Canadian system”, (News Release), May 22, 1990.
1990	Mexico	PEMEX (Petroleos Mexicanos)	Financing	Purchase of quick coupling fittings and connections for rubber hose	GN Corporation	US\$66,385		The loan is taken from a \$10 million line of credit with PEMEX. PEMEX will use the fittings and connections on various locations where it carries out transportation and distribution of oil. PEMEX is involved in the exploration, extraction and refining of oil and petroleum products.	EDC, “Calgary exporter gets support from EDC for Mexico sale”, (News Release), September 28, 1990.
1990	Mexico	Perforadata S.A. de C.V.	Financing	Purchase of drilling rigs	Canterra Equipment Inc.	US\$240,000		The eight portable seismic drilling rigs and related spare parts will be used by the buyer to carry out oil exploration activities for Petroleos Mexicanos, the Mexican national oil company.	EDC, “EDC supports sale to Mexican oil sector”, (News Release), April 25, 1990.
1990	Mexico	Transporte Ejecutivo Aereo S.A. de C.V.	Financing	Purchase of a Challenger 601-3A jet aircraft	Bombardier Inc.	US\$14,200,000		The EDC loan will also support the custom interior finishing work being performed by Innotech Aviation Limited.	EDC, “EDC lends \$14.2 million U.S. to Mexican buyer of Challenger”, (News Release), July 17, 1990.
1990	Morocco	Air Moroc (RAM)	Financing	Purchase of engine testing facility	MDS Aero Support Corporation	Cdn\$38,615,774			Minister of International Trade, “ Royal Air Moroc to acquire Canadian engine testing facility”, (News Release), May 31, 1990.
1990	Morocco	Office National de l’Electricite	Financing	Purchase of aluminum alloy rods	Alcan Wire and Cable (division of Alcan Aluminum Ltd.)	Cdn\$10,400,000		The Office National de l’Electricite will use the supply of 3,950 tonnes of rods mainly for high voltage transmission lines.	EDC, “EDC lends \$10.4 million to Morocco in support of transaction with Alcan”, (News Release), May 30, 1990.
1990	Netherlands	Fokker Aircraft B.V.	Financing	Purchase of aircraft engines	Pratt & Whitney Canada	US\$7,000,000		Fokker Aircraft increased its original order of PW125 aircraft engines. This loan is in addition to the US\$61 million loan announced by EDC in	EDC, “Additional \$7 million loan from EDC to Dutch buyer of Pratt & Whitney engines”, (News Release), February 13, 1990.

Year	Country	Principal Counterparty (Borrower/ Investor/ Financier)	EDC Product	Project Description	Principal Exporter/ Investor	Amount Corporate Account	Amount Canada Account	Points of interest and known environmental problems	Sources Cited
								October 1989.	
1990	Netherlands	Fokker Aircraft B.V.	Financing	Purchase of flight control systems	Pratt & Whitney Canada	US\$43,000,000			EDC, "Canadian flight control systems to equip Dutch aircraft", (News Release), May 2, 1990.
1990	Netherlands	KLM	Financing	Purchase of two flight simulators	CAE Electronics Ltd	US\$17,000,000		Simulators will be used to train pilots on a wide range of aircraft types prior to real flight. CAE has sold numerous simulators to KLM and two of these previous sales were supported by EDC.	EDC, "EDC \$17 million loan will support sale of CAE simulators to KLM", (News Release), August 13, 1990.
1990	Poland		Credit insurance	Goods and services	Various exporters	Cdn\$20,000,000			Minister of International Trade, " EDC establishes \$20 million insurance facility with Poland", (News Release), April 6, 1990.
1990	Thailand	Siam Commercial Bank Ltd.	Line of credit	Goods and services	Various exporters	Cdn\$9,300,000			EDC, "EDC renews \$9.3 million credit facility in Thailand", (News Release), February 1, 1990.
1990	United States of America	BAT Finance Inc	Line of Credit	For purchase of coaches	Prevost Car Inc.	US\$5,000,000			EDC, "Financing of Prevost coaches in U.S. made easier with new EDC \$5 million (U.S.) line of credit", (News Release), June 26, 1990.
1990	United States of America	BAT Finance	Financing	For purchase of 3 coaches	Prevost Car Inc.	US\$650,000		This loan is made under the US\$5,000,000 line of credit.	EDC, "Three Prevost coaches financed by EDC sold in the U.S.A.", (News Release), October 10, 1990.
1990	USSR	Bank of Foreign and Economic Affairs of the USSR (Vnesheconomban)	Line of credit	Canadian goods and services	Various exporters	Cdn\$500,000,000		Suspended in 1992 as Vnesheconombank virtually bankrupt.	External Affairs and International Trade Canada, "\$500 Million Line of Credit Established Between Canada and USSR," (News Release), May 29, 1990.
1990	Venezuela	Ministry of the Environment and Renewable Natural Resources	Financing	Purchase of various pumping and computer equipment	Lavalin International Inc.	Cdn\$3,400,000		The Ministry will use the equipment for a pumping station at Hueque-Barrancas. The computer equipment will be used	EDC, "EDC loan will help Venezuela go ahead with development and civil protection projects", (News Release), January 22, 1990.
